

BACKHOUSE

The most trusted resource for restaurant technology.

Back of House helps you navigate restaurant technology with confidence. Get advice from our expert restaurant tech consultants, compare vetted software solutions across key categories, and access exclusive pricing.

Struggling with any of the following?

OPERATIONS

- ☐ High-fees are crushing profit margins
- ☐ Want to optimize my menu to reduce waste and keep costs down
- ☐ Not sure what to automate to help relieve staff

HR & STAFFING

- ☐ Struggling to source good candidates for open positions
- ☐ Need processes in place for hiring and onboarding
- ☐ Want to automate staff scheduling

MARKETING & SALES

- ☐ Need to find new ways to get customers in the door
- ☐ Don't know how to optimize my website
- ☐ Want to implement a loyalty program

If you answered **'YES'**
BACKHOUSE can help.
